

Rittal Australia and APS Industrial - proud National Distribution partners

Global leader in enclosures,
power distribution, climate control, IT
infrastructure and software & services.

National Distributors of

apsindustrial.com.au

National Distribution Partnership

APS Industrial are National Distributors of Rittal products and solutions in Australia and provide exclusive local access to the extensive range. This includes sole Australian distribution rights for Rittal's Ri4Power type-tested modular switchboard system.

ENCLOSURES

Rittal offer an efficiently engineered enclosure system for all applications backed by a comprehensive range of accessories and tested product quality for exacting requirements.

POWER DISTRIBUTION

Rittal power distribution solutions range from busbars and component adaptor systems, to configured baying systems for low voltage switchgear and controls with design verifications.

RI4 POWER MODULAR SWITCHBOARD

APS Industrial are the exclusive distribution partner for Rittal's IEC verified, Ri4Power modular switchboard system.

CLIMATE CONTROL

When it comes to flexible systems to meet your climate control needs, Rittal offer professional design, user friendly software and apps as well as international approvals and certifications.

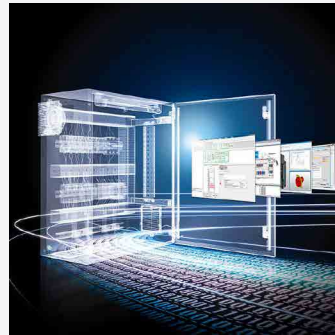

SYSTEM ACCESSORIES

When it comes to system accessories for maximum flexibility, Rittal from APS Industrial has a comprehensive range of packaging technology elements for the factory of the future.

ENGINEERED ENCLOSURE SOLUTIONS

Rittal's comprehensive solutions offering for panel building and switchgear engineering is a one-stop-shop ranging from manual tools to fully automated mechanical engineering.

SOFTWARE & SERVICE

APS Industrial offers a range of customised, value-add Rittal software and service solutions for the planning, project management, configuration and monitoring of network architectures.

IT SOLUTIONS

From the outset, your data centre will meet all your company's requirements. Security, availability, energy efficiency, infrastructure optimisation: you determine your priority areas.

Extensive Local Stockholdings

APS Industrial is headquartered in Melbourne and in addition, has a national network of offices in Adelaide, Perth, Sydney and Brisbane supported by strategic local stockholdings and expert technical and application knowledge. This is just another way we ensure you get the product you need sooner and get the technical support you need when you need it.
