APS enter partnership with world leaders Baumer

APS are pleased to announce a national distribution agreement with Baumer, starting July 1, 2021.

Baumer Group founded since 1952 with headquarter in Frauenfeld, Switzerland has a global presence in 39 subsidiaries and 19 countries.

"As a leading manufacturer of sensing instruments, the Baumer and APS partnership will enhance local customer experience", quoted Michael Ti, Managing Director of Baumer Singapore (South-East Asia and Oceania).

"Baumer are a world leader in sensors for automation and process and APS are proud to add them to our portfolio which will round out our offering to local industry", said David Read, Director of Products at APS Industrial.

Featured Baumer products that APS will now have access to include:

Encoders

Smart Vision System and Identification

Object detection and Distance Measurement (proximity, photoelectric and ultrasonic)

Process Sensor

Mechanical Process Instrument (Bourdon-Baumer)

Baumer is an exciting addition to the APS portfolio that already includes market leading brands such Siemens, Weidmüller, Belden, Rittal and Katko.
