## BELDEN AUDIO AND VIDEO SOLUTION

Belden is the trusted brand in audio, video cabling and connectivity. The AV industry has come to rely on our proven track record of innovation, quality, and consistency. Belden upholds its reputation with warranties unmatched in the industry. Our product offering includes traditional audio and video, networking and fiber optic cable and connectivity. Whether integrating analog, digital, fiber transport, or IP-based systems, Belden can offer a solution for your installation needs.

Our products are designed to support communications protocols like HDBaseT®, SDVoE, HDMI, and IEEE AVB/TSN. These products are locally available through one of our channel network's 1600 locations nationwide. Belden and our channel partners also offer a number of technical and value added services to ensure the successful planning, deployment, and profitability of AV installations.
