SIWAREX

Applicable for eligible products sold by Siemens Ltd (in Australia), Siemens (N.Z.) Limited (in New Zealand) or Siemens authorized resellers in Australia or New Zealand.

*This program covers the majority of Siemens Digital Industries product portfolio, however the following exceptions apply where extended warranties are available at additional cost:

- SIMATIC PCS7 range of process automation
- SINAMICS cabinet drives
- SIMOTICS Low Voltage Standard Induction Motors
- SIMOGEAR geared motors
- Scalance and Ruggedcom industrial communications (these products already have a 5 year warranty included)
- Non tangible products such as services and software
- Non-current products
- Spare parts and consumable items
- All Siemens products from Siemens Smart Infrastructure, Siemens Energy, Siemens Mobility, Siemens Large Drive Applications, and Siemens Healthineers are excluded.

For specific product list, please refer to the product description in the offer where 3 years product Defects Liability Period is stated by Siemens Australia / New Zealand or one of our authorised resellers in those regions.

All other products have a Defects Liability Period according to the terms and conditions.
